EXECUTIVE DIRECTOR

Hilda E. Garrett

October 2, 1968

Professor Joseph Lederberg
Department of Genetics
Stanford University
Palo Alto, California 94304

Dear Professor Lederberg:

Thank you for your kind permission to have reprints made of your article on Cystic Fibrosis, which appeared in the Washington Post, Saturday, September 28, 1968.

I will also be most grateful to you for any other timely news on any new developments in Cystic Fibrosis Research, and hope you will keep me informed. We are indeed encouraged with the progress in Cystic Fibrosis Research.

The Metropolitan Washington, D.C. Chapter of the National Cystic Fibrosis Research will be honored to have you visit with us, when and if you ever come to Washington, and again our many thanks for your courtesy.

Sincerely,

Hilda E. Garrett
Executive Director
Metropolitan Washington, D.C. Chapter
National Cystic Fibrosis Research
Foundation
